DBTools Installers

DB Tools 9.3.2.1 Installers

Download links

The update/installation package can be downloaded from:

- [Aranda.ADBT.9.3.2.1.exe](#)

Installers Broker Mosquitto

Installers Broker Mosquitto

IMPORTANT!

- Compatible for Multitenant environments, a maximum number of 10,000 device connections per server where MQTT is installed is suggested.
- In case you have MQTT (mosquitto-2.0.13) installed, you must uninstall and then install the new MQTT.

Latest Version

- [Aranda.ADM.MQTT.Broker.exe](#)

Note

Before you start the installation process of Aranda ADM MQTT Broker, you must uninstall any previous versions.

Installation Instructions

- [Aranda MQTT Broker Installation](#)

Previous MQTT Uninstall (mosquitto-2.0.13)
